Haverford Reserve News

A brief history of Haverford Reserve

The community facilities at Haverford Reserve are the fulfillment of years of planning in response to residents' preference surveys. The former Haverford State Hospital closed in 1998. In 2002 the state sold the land (209 acres) to the township for \$3.5 million. In 2006 the township sold 40 acres to private development for \$17 million. Those proceeds are funding the community facilities at the site and other township projects.

Pictured below are the 3 miles of trails and walking paths, the ball fields, Freedom Playground and The Dog Park. Construction on the Recreation Environmental Center is scheduled to begin in February 2011.

Community Recreation Environmental Center

Bids for the CREC are due back December 21. Approval is expected at the January Commissioners Meeting. The 35,000 sq. ft facility is being funded through Haverford Reserve proceeds and almost \$2 million in grants acquired through the state with assistance from our state legislators. The building will have a geo thermal energy system.

Freedom Playground- Opened

After almost 2 1/2 years of fundraising, designing and building, involving over 1500 volunteers, Freedom Playground opened to the delight of hundreds of children and parents. The all-accessible playground will need on going maintenance. Look for announcements for future volunteer work days on the website www.freedomplay.org.

Annual Report- Parks and Recreation Improves Health

According to the Center for Disease Control and Prevention 30% of Americans are fully sedentary. Recent data shows that 29% of youth in Delaware County are overweight or obese. On average, an obese person racks up nearly \$1,500 more per year in healthcare costs than an average weight person.

Parks and Recreation are an extremely cost effective way to lower health care costs. By providing opportunities for active and passive recreation in a friendly environment, community Parks and Recreation encourage life-long improved health.

Despite the economy, participation in township sponsored recreation programs in 2010 was at an all-time high. Over 8,000 residents of all ages participated in

the camps, classes and programs offered throughout the year. In addition over 11,000 residents registered for the organized sports activities offered through the numerous volunteer-run organizations in Haverford Township. Even greater numbers enjoyed non-structured activities at the playgrounds. The Glendale Trail, Karakung Trail and the trails at Haverford Reserve were frequented by walkers and joggers throughout the year.

The 30th Life. Be In It. Day, celebrating the end of the Summer Playground Program attracted over 500 children and parents. The 16th Annual Haverford Township Day drew almost 20,000 people to join in the celebration of community spirit.

Haverford Township's investment in Parks and Recreation strengthens our neighborhoods, increases the value of our homes, saves us money, helps the environment and improves our health.

We look forward to seeing you in 2011. Life. Be In It.

The Parks and Recreation Department

A Green Friendly Town

In September 2008 Haverford Township adopted a Climate Action Plan. Our goal is to reduce our carbon footprint by 20% by 2012 and 30% by 2020. Some of the measures implemented include single-stream recycling, mulching the leaves collected, replacing the roof on the Skatium and replacing street lights with more energy efficient lights. Future plans include purchasing more fuel efficient vehicles and designing geo-thermal energy systems into the Community Recreation Environmental Center. To find out more about the township's green initiatives go to our website www.haverfordtownship.com

The EAC (Environmental Advisory Committee) is leading the effort to educate residents and local businesses as to what measures they can take to save fuel and expense. Your input is welcome at meetings.

Go Green by Opting Out

In an effort to go paperless we will upload the HavaGood Times to our website. You can save trees and money by opting out of receiving a copy of The Times in the mail.

To opt out email recinfo@haverfordtownship.org with your name and mailing address.

Park Maintenance

Our Park Maintenance crew is committed to keeping township recreation facilities clean, safe and sustainable for your enjoyment. If you have any questions or see any damage please contact Eric Gillard at egillard@haverfordtownship.org.

The township is implementing maintenance policies that are more environmentally friendly. These include less frequent mowing of passive areas and planting wildflowers and grasses.

Best wishes to Rob Henderson and Rick Barone as they recuperate.

What you said about our programs...

Playgrounds...

“The Playground Program is an unbelievable deal that exceeded my expectations. The leaders always took the time to check in at drop off and pick up. Thank you for providing an affordable option for families who don't want the structure of formal camps, but want their kids to have fun and play.”

Fall Soccer...

“The coaches were fantastic! They were so patient with the kids and so upbeat. They taught the kids a lot about being part of a team and how to treat each other. I have told everyone I talk to about this wonderful program. Thank you for a great experience!”
