Environmental Education Center

Double gymnasium & walking track

Construction Begins on Community Recreation and Environmental Center

Township and State officials at the ground breaking on February 5, 2011.

Parks and Recreation Staff

Top 5 Questions about the Community Recreation Environmental Center

1) When will it open?

Construction is scheduled for completion in April 2012 and the building open to the community in May 2012.

2) What will the CREC include?

The CREC includes a double gym, walking track, wellness area, multi-use room, environmental center.

3) Why is there no pool?

The agreement with the YMCA stipulates that the township would not include a pool because of the Y's pool.

4) What is the mission of the CREC?

The CREC will be geothermal powered and serve to educate and promote wellness, environmental stewardship, and be a model of inclusion and community involvement.

5) Will there be fees?

There will be fees related to programs, leagues and rentals; but no memberships, much like the Skatium.

Community Park at Haverford Reserve

Our Park Maintenance Crew works hard to maintain clean, safe, playable fields for township residents.

Sustainable Parks

Did you know that one hour of use by a lawn mower produces the carbon equal to 11 cars. A riding mower equals thirty four cars. As part of our effort to create a more green friendly township we are looking for ways to make more sustainable parks. By reducing the amount of mowing we will reduce the carbon emission and improve the habitat and ground water. We also plan to introduce native plants and seasonal wild grasses to some areas of the parks.

Recycling at Parks

We are continuing efforts to begin recycling at the parks. Please use the recycling cans for your paper, plastic and aluminum. Thank you.

List of Township Parks

A list of Township Parks is on our website.
