

New Online Registration System

For your convenience the Haverford Township Recreation Department has implemented online registration for all summer activities. The benefits of the new system include:

- Easier online registration to save you time.
- More program information.
- Easy access to your family's program schedules.
- Better communication through text alerts and email.

Online registration begins Sunday, May 6 at 2pm. You need to set up an account to register online. If you have registered since January you already have an account. If you forget your account information see step 4 below.
