

**Minutes of the Tuesday October 18, 2016  
Haverford Township Health Advisory Board**

CREC All Purpose Room  
9000 Parkview Dr  
Haverford, PA 19041

Board Members Present: Mr. Henry Eichman, Mr. Eric Weest, Dr. Venuto,

Also present: Commissioner James McGarrity, Nancy Guerra

The meeting was called to order by Mr Henry Eichman at 7pm

The minutes from the meeting on September 13, 2016 were circulated and approved.

A representative from Haverford College called to inquire about selling honey from the six hives they have on campus. They also want to cook meals for some alumni events. They were referred to the Dept. of Agriculture for licensing for the honey sales and the extractor. Discussion ensued.

There was a three day training course in September put on by the Dept. of Agriculture. Its main purpose was to review the 2013 Food Code. One item that needs to be enforced will be HACCP plans for the establishments with specialized processes.

Retail food inspections will be posted on-line to PA Eat Safe website since the purchase of a new laptop.

All food vendors at Haverford Township Day, on October 1, 2016, were inspected and found in compliance.

September 22, 2016 we received another notice for a positive mosquito pool for West Nile at the Haverford Reserve. An inspection of the trail and the retention basin behind the carriage homes was done to locate standing water. Discussion ensued.

A complaint was received concerning a Doctor running a surgical center without a license. He is a plastic surgeon and possibly doing liposuction. The caller was not aware if he was using anesthesia. Discussion ensued.

The owner of 701 & 711 Haverford Rd. was in court this past month for citations for property maintenance issues. This has been an ongoing issue with these properties.

Weed, trash and bed bug complaints were all received and investigated this past month.

A complaint of roaches in Abruzzo Italian Bistro was received and investigated. The establishment was closed due to a active roach infestation. Voice mails from the owner stated his lease was almost up and he would remain closed. Discussion ensued.

A food borne illness complaint came in about Have-A-Burger. The complainant went to talk to them about it but they were closed for the month. I spoke with the owners on the phone and did a reinspection prior to their reopening. Discussion ensued.

The meeting was adjourned at 7:40pm
